Multi-tiered Classic Retail Displays List Price Sheet

Bartlett Bench has introduced a line of retail displays for garden centers, nurseries and retail greenhouses. They are made from galvanized steel tube and galvanized Channel Bench Tops. The 3 Tier Displays have shelves that are easily adjustable from flat to angled.

3 Tier Displays - The standard displays have 3 shelves 20", 30", and 40" wide by 6' long. The overall length is 6' 6". All displays can be assembled with the shelves flat or angled and include a 6' long horizontal basket rod on top. The basket rod is 7' 4" high. Other lengths and widths are available.
